FOUNDED JUNE 17, 1961 - ST. ALBERT'S 100 ANNIVERSARY

Feb. 20, 1965 Vol. 54

This picture shows the Union Jack being lowered for the last time at Sir Alexander MacKenzie School.

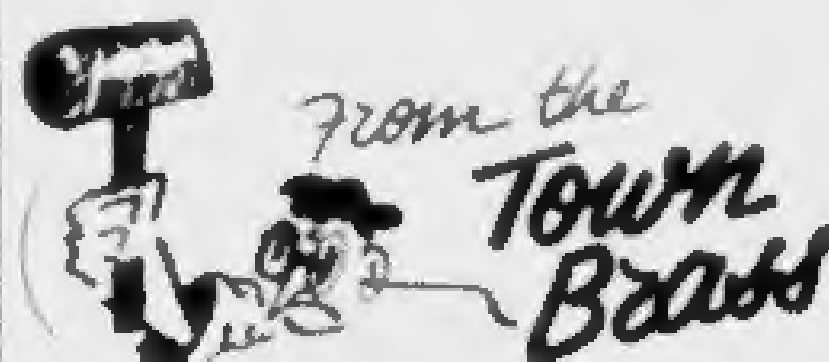

Members of the Town staff, R.C.M.P., Father Hevner and Mayor Veress watch as Canada's new Maple Leaf Flag is raised for the first time at the Town Hall.

FLAG CEREMONIES

Students and staff of the St. Albert Protestant Separate School District held flag raising ceremonies at all schools on Monday, February 15th, to coincide with the raising of the new Maple Leaf Flag in Ottawa.

Similar ceremonies were held at all public schools, Town Hall and Post Office. The ceremonies included the singing of "The Maple Leaf Forever", "Land of the Maple Leaf", "O Canada" and "The Queen".

Council Meeting, Monday February 15
Financial Statement 1964 Mr. Hepburn representing the town's auditors, explained the 1964 financial statement to Council. Highlights were:

- The \$32,000. decrease of expected revenue was caused by the low revenue in the sales of land during 1964.
- The \$13,700.00 deficit in the water supply system, which was remarkably lower than in 1963, could become, in 1965, a saving position.
- The \$18,000. deficit of the 1963 water supply system will be charged against the \$42,000. surplus revenue of 1964, leaving the town a surplus of \$6,000.
- The total fixed assets of the town at present amount to \$4,285,000.
- The financial position of the town still depends on the sale of land. The sooner this land is sold, the better the town's financial position will become.

Claims

There are still two statements of claim against the town - St. Albert Development \$33,000., and OK Construction \$5,000. An official claim of Engineered Homes to the amount of about \$50,000.00 is not yet filed. Council decided to invite the town's auditors and auditors to attend the

Annual Ratepayers Meeting this coming Monday in the St. Albert Community Hall to answer any questions in connection with these claims.

Sir Winston Churchill Avenue Council received a letter from the granddaughter of the late Mr. McKenny who was the first St. Albert representative in the Alberta legislature. She protested the change of McKenny Avenue to Sir Winston Churchill Avenue and suggested that they choose another street instead. However Council decided to hold to their decision and passed the by-law changing the name of McKenny Avenue to Sir Winston Churchill Avenue. They ordered the town staff to study the possibilities of renaming another avenue in St. Albert to McKenny Avenue.

Dog Troubles A petition from 81 Grandor Crescent residents complaining about the lack of control by the S.P.C.A. on dogs at large. When this letter was read a lively discussion started about this problem. Some parents in this district believe that their children are not safe. Some children are afraid to walk on this street. The general feeling of Council was that something drastic should be done, since this problem has existed for so many years. Councillor Stewart moved that the minimum penalty be increased to \$25.00 from \$5.00 and that an amendment to the dog by-law be prepared in this regard. This motion was carried with Mayor Veness and Councillor Kehling opposed. The public is asked to help enforce this by-law. This motion was moved by Councillor Fowler and carried. Mayor Veness moved that the S.P.C.A. be asked to increase their control to include the night, for 6 weeks. This motion was carried.

Town Engineer Council adjourned to go into committee to study some application for the position of Town Engineer.

LIBRARY

HIGHLIGHTS OF LIBRARY BOARD ANNUAL REPORT

Delinquent borrowers present some problem to the Library. Approximately 150 books are overdue from one month up to one year. A system of posting lists of delinquent borrowers and of contacting borrowers by mail has been instituted with some degree of success.

Approximately 70% of the buying was in the area of children's, plus adolescents Fiction and Non-Fiction. The remaining book money was spent on Adult Fiction and Non-Fiction.

Equipment for a Reading Room, consisting of a magazine rack, children's chairs, table was purchased.

The Library has 522 Adult members, 1,633 children and juvenile members, making a total of 2,160.

An average of 500 books per week are borrowed by Library members. The number of books bought in 1964 were 1,315. The total cost of the books were \$3,067.43 for an average cost per book of \$3.00 (the figure includes donated books). The total number of books in the Library is 4,669.

Future Plans

The Library is at present short of an

area for processing books. The net result is that the Reading Room is being used for the purpose of book processing at present. The result is that the Reading Room may be used only when book orders are not being processed, and secondly, that we cannot assess fairly the value of the Reading Room.

With an increase in Library membership and books borrowed, the Library is crowded on many occasions. Consideration will have to be given to the problem of a future lack of Library space.

NATIONAL ASSOCIATION OF KINSMEN CELEBRATE 45TH ANNIVERSARY

This week is KIN week across Canada. It was February 20th, 1920 that the Founder Mr. Hal A. Rogers, formed the first Kinsmen Club in the City of Hamilton, Ont. Today, forty-five years later, 410 Clubs form the Association of Kinsmen in Canada with a membership of over 12,000. The St. Albert Club which is in its 5th first year is proud to be sharing in the celebrations at this time.

The high ideals and challenging objectives of Kinsmanship are clearly stated in the Constitution of the Association in the following terms:- The object of this Association shall be to promote and direct fellowship among young men of good character within Canada to the end:

- 1) That they may be improved and educated in modern business and professional methods and ethics;
- 2) That the interest of each in the welfare of his community may be stimulated;
- 3) That constitutional authority may be upheld;
- 4) That a spirit of co-operation, tolerance, understanding and equality between all nations and all peoples be fostered and that unity of thought and purpose throughout Canada be established towards this goal;
- 5) That they shall carry on Service work within their community.

Locally the St. Albert Kinsmen Club, under the Presidency of Mike Page, is composed of young business men between the ages of 21 and 40, selected in accordance with the membership standards of the Association. Through meetings every two weeks they enjoy fellowship

If a key man should die or become disabled, your company could suffer a sharp loss of sales — a slow-down of production.

Business Insurance from New York Life can help overcome these problems. It provides tax-free funds on the key man's death that can be used to offset profit losses, pay production bonuses, attract a successor. If he retires, the cash values in the policy can supply retirement income — or serve as a retainer for his services as a consultant.

and give leadership for the betterment of their community. These young men are expected to have a realization that Kinsmanship is not a cloak to be put on and off at each meeting but rather that it is a life to lead, a philosophy teaching high ideals of service for human welfare and the community.

Each Club including St. Albert's, bases its activities on the need of its own community with the guidance and inspiration of the ideals and objects of Kinsmanship. The peace time service policy is to fulfill "the Community's greatest need".

The St. Albert Kinsmen Club in an effort to meet these obligations, has undertaken the primary task of fund raising. Last year, the sale of fertilizer followed by the annual peanut night saw the beginning of the Service Account. It is expected that through the sale of mail boxes, now in progress, the Club will soon be in a position to establish a start on some significant and useful project, which will serve the community and which will identify the Kinsmen with the cause to which they are dedicated. The success of any such venture will depend largely upon the support and understanding of the residents of St. Albert.

Hercules Dance Succes !

None of the 250 guests attending Saturday's Hercules Valentine Dance will soon forget this very pleasant and amusing evening. Everyone enjoyed the splendid music of the Golden Nuggets, and regretted that this evening ended so soon. The next Hercules dance promises to become a popular one!

The ladies of the auxiliary of the Hercules are to be complimented for the fine and capable way they set up this evening. Special thanks to Mrs. Fred deLuca, wife of the Hercules president, for the uncountable hours she spent to assure a smooth and delightful operation. The Hercules executive would like to thank all those who supported them so wholeheartedly.

Mr. Ron Walker, Grandora Crea., was the winner of the beautiful dinner set donated by W. V. Arcade.

The Living Stone Present day Eskimos continue an age old tradition of creative craftsmanship, carving ivory and bone - and more recently, stone - into vigorous portrayals of Arctic life. This film presents an evocative picture of a spring and summer among a few Eskimos in Canada's eastern Arctic, and shows the inspiration, often related to belief in the supernatural, behind such sculpture. (Eleven film awards, including: Award nomination, Academy of Motion Picture Arts and Sciences, Hollywood; Robt. J. Flaherty Film Awards, New York; London Film Festival, England.)
An Introduction to Jet Engines A vivid realistic view of the inside of a modern jet engine. (This film is released for civilian use as a public service by the Royal Canadian Air Force.) (Film awards

Canadian Film Awards; International Survey of Scientific-Didactic Films, Padua, Italy; International Animation Film Festival, Rimini, Italy.)
Time and Terrain And how did this earth look before the advent of man? This film shows you, as geologists imagine it from clues in the rocks and as the animation artist has pictured it. A view of the prehistoric past that helps explain changes still happening around us.

CURLING BONSPIEL

ST. ALBERT LADIES BONSPIEL

The annual St. Albert Ladies Bonspiel was held last Wednesday, Thursday and Friday, with 32 rinks participating. The three-day 'spiel got off to a good start on Wednesday with an all-day Smorgasbord served in the Legion Hall. The ladies of the Host Club outdid themselves with some wonderful food and hospitality. Top team in the 'spiel, taking home the Gateway Building Supplies Grand Challenge Trophy, was the Ruth Elligott rink from the Shamrock Club with Grace Cheyne playing third, Byrne Hindley, second and Kathy Anderson, lead. Running a close second was Opal Quintal and her St. Albert crew. Another Shamrock Club skipper Betty Stott took third place and fourth went to 'Boots' Cammell of the Alberta Avenue Club.

Winner of the Second Event and the Northwestern Utilities Trophy was Marie Badick and her team from the ever-winning Shamrock Club with Phyl Logan at third, Mae Baily, second, and Joyce Rawlings, lead. Second prize in this event went to Rita Borle of St. Albert. Third prize went to Norma Day of the Granite Club and fourth prize to Jacque Malinowski of the St. Albert Club.

The Jasper Auto Parts Trophy for the Third Event was won by Verna Ethier of the Alberta Avenue Club with Dee Fletche playing third, Kay Drever, second, and Mary Spencer, lead. The Marge Hafso rink also of the Alberta Avenue took second prize in the third event. Third and fourth prizes went to Harriet Wellman and Irene Volmer, respectively, both of the host St. Albert Club.

The electric carving knife raffled off at the Bonspiel was won by Shirley Reeves of 10840 McQueen Road, Edmonton. The Ladies Curling Club would once again like to express their many thanks to

their sponsors, Gateway Building Supplies Ltd., Northwestern Utilities Ltd., and Jasper Auto Parts Ltd. Also, many thanks to Canada Safeway Ltd. for the delicious hams served at the banquet. A very special vote of thanks from the Ladies Curling Club goes out to Bill Bird, Paul Gauthier, Armand Donais, and Art and Vina McCormick for their outstanding co-operation in making this Bonspiel such a wonderful success.

Dear Sir,

Democracy in Webster's dictionary is de-
fined as follows. "The modern concept
of democracy assumes the political equal-
ity of all individuals, the right to
freedom, and to petition authority for
redress of grievances." Certainly any
government or council has to have an op-
position to be effective. If we are to
be denied this right, what hope do we
ever have of uniting St. Albert? Be-
cause in a town this size there are bound
to be people of very different opin-
ions and ideas on important matters, but

by Mrs. R. Lefebvre

Upon returning from a weekend trip to another town similar to our own, St. Paul, I told the Editor that I would not submit news for this week, principally because I didn't have any notes to work on. However, I reflected, after coming home from choir practice, what a very busy Monday evening it had been. First of all three of us gratefully accepted a lift to the Church on the Hill with Mr. & Mrs. Hermans. We were told there that plans were under way to have a Testimonial Dinner and evening for Sister St. Joseph, organist for many years, now retired. Since we are practising for Easter, we divided our practice in two for these events.

The parking lot had been well filled as we had arrived for practice, some of us remembering it was "Padre Night", sponsored by the K. of C.'s and catered by the C.W.L.

As we left the Church, overlooking the beautiful scene below, I gasped with the thrill of seeing our new flag fluttering outstretched bravely against the clear evening sky, the height of it seemed to be endless from where we stood below. I couldn't help but breathe a prayer of thanks that it flew over a busy but peaceful land!

UNITED CHURCH

On Friday, Feb. 12, some 30 members and guests of the Triple M gathered in the Lower Hall of the Church for a social evening of Court Whist. During the brief business meeting Dr. Schwarz noted a course and workshop on family relations being offered in Calgary on a weekend early in March and that facilities for a family camp this summer will be available on the weekend of August 7-8. Persons wishing more information should call 599-6042.

On Saturday Feb. 13, a workshop was sponsored by the U.C.W. on the skills of leading worship. Some 15 ladies of the congregation attended. Displays of materials were made and guest speakers addressed the group.

On Sunday, Feb. 14 the Morning Service was conducted by the Student Assistant, Mr. Dale Irving, who spoke on the necessity of change in individuals and the church if it is to remain relevant to the needs of mankind. Dr. Schwarz was absent conducting a service of confirmation at the Winterburn Church. During the afternoon both men were at Morinville conducting a service.

Coming Events

Thurs. Feb. 18: Choir 8:15 p.m.

Sun. Feb. 21: Church School, Nursery, Tiny Tots, Morning Worship 11 a.m. Dr. Schwarz will conduct a service of Infant Baptism at the 11 a.m. service. A meeting for those wishing to attend a confirmation class will be held following the morning service.

Tues. Feb. 23: Explorers, Session and Stewards, Official Board.

Wed. Feb. 24: U.C.W. - Braeside, 8:15 p.m. at Paget residence, 29 Balmoral Drive. Grandin Park, 8:15 p.m. at Govenlock residence, 8 Garland Place.

MORINVILLE NEWS ITEM

On Thursday, February 4, a milestone was passed by a group of Protestants in Morinville in that, after a year and a half of working and waiting, they presented a petition to the Edmonton Presbytery requesting that they be constituted as a congregation of the United Church. The petition was granted. In November 1963, Rev. Dr. Schwarz of St. Albert United Church was asked by some interested persons of Morinville to begin a program of study meetings in Morinville homes. These took place twice each month. Soon local activities expanded; a Sunday School for children was organized, a Summer Bible School was held, the ladies began a W.A. which then held bake sales and participated in St. Albert U.C.W. Bazaar, congregational socials and suppers were held and some interest began to show itself in summer church camping and mid-week youth programs. During this time the responsibilities of Dr. Schwarz in St. Albert, Winterburn and the Onaway Churches became such that he was granted the assistance of a student from St. Stephen's College in Edmonton. Initially the student was Mr. Bob Thompson who was replaced in October of this year by Mr. Dale Irving. Now the work has become such that the Edmonton Presbytery agrees that a congregation should be formally established and so expressed itself last Thursday to the Morinville delegation consisting of Mr. & Mrs. Harold Rockwell and Mrs. Roy Burke. Plans are underway to have a formal service of constitution later in February. Services are held at 1:30 p.m. each Sunday. This congregation will be considered as a point in the St. Albert Pastoral Charge and will be served by Rev. Dr. Ed Schwarz and Mr. Dale Irving. On Sunday, February 14, service was conducted at the United Church at 1:30 by the Rev. Dr. Ed Schwarz assisted by Mr. Dale Irving, the Student Assistant in the St. Albert, Morinville and Winterburn Churches. Dr. Schwarz preached the sermon which was on the Church, using Matthew 16:13-28 as his text. The service closed with the service of Holy Communion. Persons wishing information

The Eucharist Week by week in the Holy Communion, Christ comes to us in the mystery of the Sacrament. He comes to unite Himself with us, that we may become like Him. Without Him we can do nothing. What greater glory can a healthy parish have than that of being a living witness to this Truth; what greater shame than that it should neglect so great a privilege. The 9 a.m. communion is therefore an opportunity for that quiet prayer, communion, and mature spiritual growth which will best fit us for service in the week to come.

LOCAL OPTION PETITION

A petition to bring on a local option vote in order that local residents may indicate their wishes with respect to local liquor licensing has been available through the churches for three weeks. Response to date has been only moderate. Clergy of St. Albert, whilst recognizing that a special effort would clearly guarantee that the petition could be presented complete with the necessary number of names, considered that the response so far indicated that the public is not concerned about the issue at this time. In the light of this, it was decided, after consultation, to proceed no further with the matter. It was noted that opportunities are provided for a local option vote, in the light of the experience gained, after some years with new licensing in force.

lay evening to attend council meetings and knows a great deal more of the town's affairs than the person who in her letter dismissed her questions as an insignificant afterthought. In regards to Council's statement on criticism of civic servants, in my opinion, the letter writers were asking WHY, why they chose who they did, as usually when Joe Miller Baker stated at Council meeting last Monday that the three finalists were of equal qualifications, yet two of them were involved in politics in one way or another and the third was from out of town. What choice did they have? It is unfortunate that Billings played Mr. Wheatley in this position, not the people of St. Albert. If they had, they must have known that there would be opposition to this appointment. I think it is time in St. Albert for the whole town to be interested all year in just what the Council is doing. Remember this is your town too. I guarantee you soon will be asking questions when your taxes are raised, or if you have to move and can't sell your home, or be interested in the

Regarding "Public Opinion" in February 1965 issue of Gazette, I think that letters such as those in last issue should not certainly be published. After all, how are we to know what our neighbors think about our matters? If some are so annoyed that they write to you about it, then I think it only fair that they be heard.

Yours sincerely,
Mr. Della Harrison.

THE PACT LINE:
There are reportedly over sixty organizations in St. Albert. Needless to say many of these are volunteer organizations, which contribute greatly to our community life, filling many important roles and providing a very necessary service. There is however, no group providing these volunteer services such as the Red Cross. Working together with our local volunteer we have been working, Miss Anne LeFebvre, the very definite need for such a volunteer service has to be right. Many of our residents in the care of the volunteer department are often in the

SUPPORT YOUR CHAMBER

Over the past years, the St. Albert & District Chamber of Commerce has proved to be a real asset to our town. Their activities are widespread and cover many parts of our community. The men and women who are so active in our Chamber should be complimented on their continuous activities which have not always been carried out under encouraging circumstances. Their annual big event, Civic Day, is a well known success in and around our town.

Support our active Chamber by attending their annual banquet this Friday, the 19th of February at the Club Macombo. Surprise them with your attendance and thus encourage them to go further with their important tasks in our community life. A very interesting programme will assure you that you will enjoy this evening. See you this Friday at the Banquet and Dance!

need of a trained person to call daily or weekly to see to their medical needs while they are bedridden due to accident or illness. Good neighbors are always willing to help but lack the professional training required. For instance; injections and bed bathing of someone injured or recovering from surgery needs experienced 'know how'.

Many of St. Albert's homemakers are graduate or registered nurses and nurses aides. The volunteer time of these ladies is very much in demand. It is the hope of the local Welfare Department that a list of nurses and nurses aides living in St. Albert can be compiled and kept on file in the department. When their special help is needed they can be called upon. This 'Volunteer Nursing' organization would require no meetings, only as much or as little time as you could give. With 20 or 30 names to work with surely one would be available to the department when a home call was required. Miss Keate noted that transportation can be supplied. If you can spare the occasional hour for 'volunteer nursing' call Miss Keate at the Town Hall, 599-6601.

CLUB NOTES

The Triple M Club met February 12th in the United Church Lower Hall. The family Summer Camp at Long Island Lake was discussed also the forthcoming parents and leaders workshop of sex education. The workshop will be held in Calgary March 6, 7, 8. For further information call Phyllis Smith 599-6042. A social evening of Court Whist was enjoyed by all.

The First St. Albert Cubs & Scouts will hold their Annual Father and Son Banquet Sunday, February 21st at 6 p.m. in the R.C. Parish Hall. Beginning February 21, Baden-Powell Week is celebrated throughout the world. Lord Baden-Powell was the founder of the Scout Movement which is probably the largest youth training organization in the world. Most adults today can remember fondly the years they themselves spent in cubs and scouts.

All fathers of 1st St. Albert Cubs and Scouts are cordially invited to attend this once a year get together with their sons.

The St. Albert Women's Institute will hold their next regular meeting at the home of Mrs. Neil Ross, St. Albert Road (Highway #2) on February 23rd. The roll call will be suggestions for Day Tours. All members are urged to attend.

DELINQUENT BORROWERS

Mr. Soprovich's Library Report for 1964 (see page 2) shows a healthy interest and growth in this good use of leisure time. Unfortunately, Mr. Soprovich has some complaints regarding borrowers who do not return their books in time. This disturbs the smooth operation of our library and is unfair to the others who also want to read these books. These people should realize that they are misusing public property and that this should not be tolerated. Why not have each borrower pay a small deposit when joining the library? This money could stay in trust as long as the borrower makes use of the library. If a book is not returned within a reasonable length of time, his deposit would automatically be forfeited. Those who move away could have their deposit refunded. Under this system correct borrowers will not suffer, but the incorrect borrowers will pay for their sins!

NO FEAR

Canada's new flag, a symbol of unity and freedom, can teach us in St. Albert a lesson. Unity and freedom, respect for each others principles, is a priceless treasure which all of us should stand up for, and safeguard. Unity and freedom don't mean that we all agree with each other or that we will all march under the same banner. History has proven many times that marching under one banner was false unity and didn't last very long. All of us should learn to understand this, and we should teach our children to accept and respect others who do not follow our banner or our ideas. But we should also realize that the other thinks that his principle is the best for his community. This is hard to learn and it is harder still to practice. But this attitude is the only way to come to real unity and freedom in our community. There should never be cause for any of our citizens to feel to speak or act in the way he thinks will be best for his community. We should respect him and even encourage him to use this freedom in this country where freedom is assured by law and where thousands gave their lives for this. Community life would be rather dull if everyone agreed with everyone else all the time. Everybody is aware that this dull situation doesn't exist in our town. Sometimes the arguments get hot (even the best parents have healthy quarrels sometimes) but we should never forget that with such controversies should go strong respect for each other opinions and principles. Acting in this way we surely will avoid any false unity in which no community can ever build real unity and real freedom.

OUR NEW FLAG

Many flag raising ceremonies took place last Monday all over town. Students and staff assembled to mark this event as a great day in Canada's history. Let's forget all the difficulties and misunderstandings raised by this flag issue and obey the democratic decision of our government to proclaim this flag as our own national flag.

Mayor Veness said during the Town's ceremony, "As we gaze upon our new flag, we should try and remember that it is a symbol of unity of the two founding races of our great country. It also embraces people from other lands who have made Canada their home and who are making a great contribution to its development.

Long may Canada's new flag fly, symbol of Unity and Freedom."

We should unite in respect for each other's principles under the banner of this world wide known Canadian symbol. As one of the school officials said, "With the major crisis of the flag issue still vivid in our memories, it is difficult for us to imagine one of today's grade six students telling his children in 1983 that he was present when the Maple Leaf Flag was raised for the first time. His children will be unable to visualize any other flag and will think that their thirty year old father must be pretty ancient.

We appear to be living in a community of crisis. Perhaps we have something to learn from the ceremonies which took place on Monday."

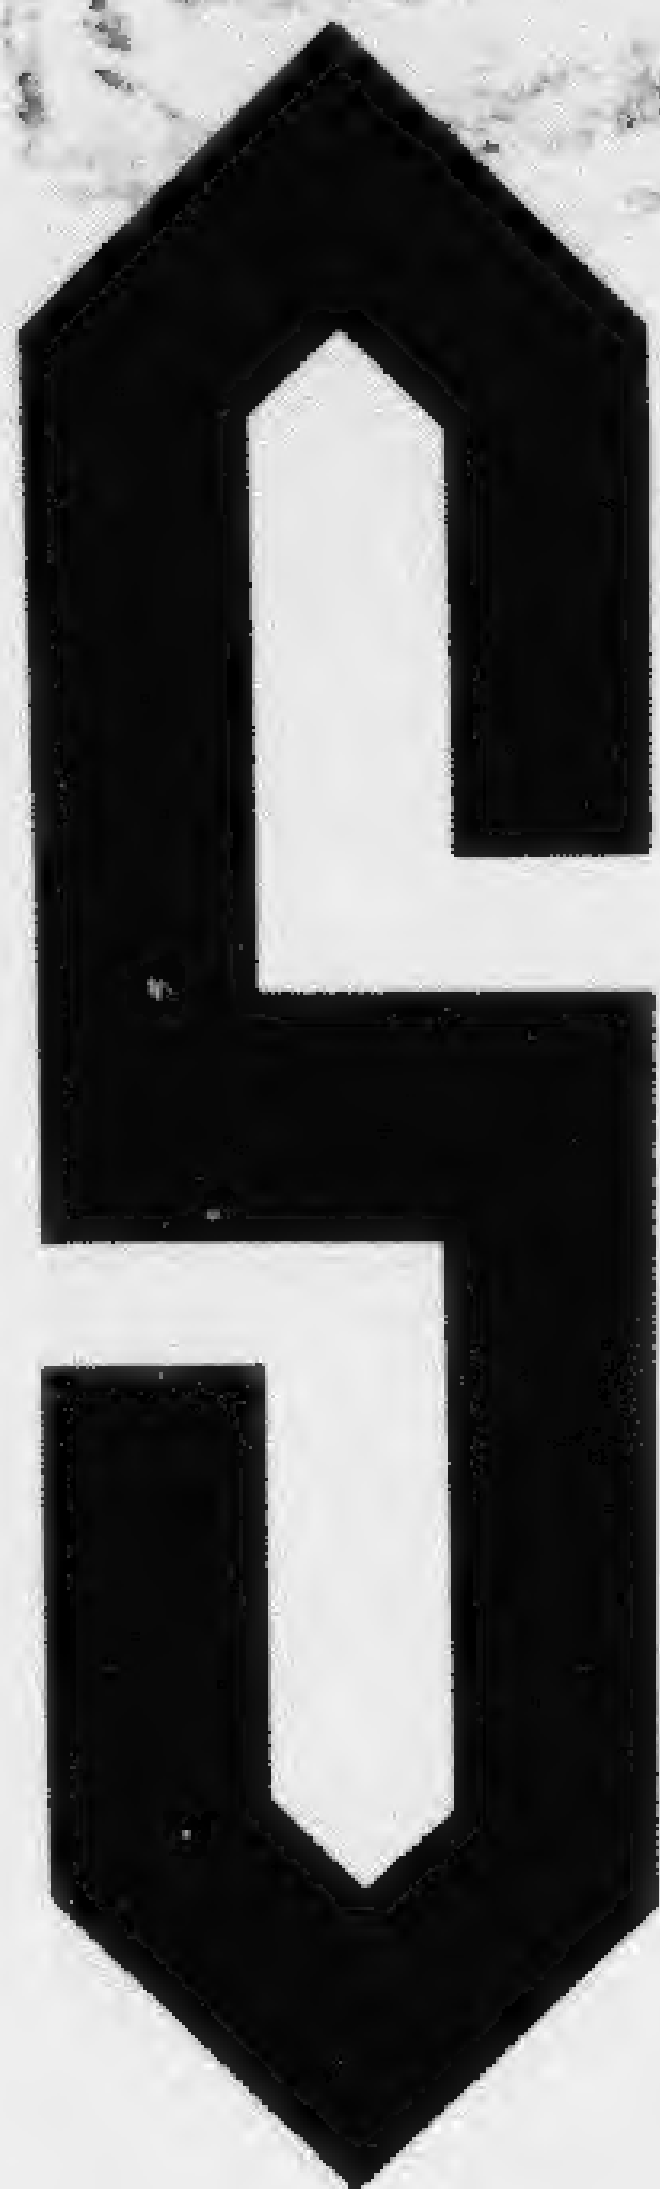

Let our children be proud of us in years to come for making this decision, because we were big enough to reach out the hand of understanding as one nation.
